

700+ Training Courses

ONLINE TRAINING CATALOG

ACCG
Risk Control

1ST EDITION
2026

Introduction

ACCG Risk Control is pleased to introduce our comprehensive online safety training catalog, now available through our new Learning Management System (LMS) portal, hosted by SafetySkills. This enhanced platform provides ACCG members with convenient, on-demand access to high-quality safety and risk management training designed to support a safer, better-prepared workforce.

The SafetySkills platform allows members to access training anytime and anywhere, making it easier to deliver consistent safety education across departments, offices, and agencies. Learner accounts will be issued upon request.

ACCG Risk Control also welcomes members who are interested in serving as an LMS Administrator for their organization. LMS Administrators can manage employee enrollments, track course progress, and monitor training completion to ensure compliance and workforce readiness. Members who would like to request LMS Administrator access should submit their request via email to riskcontrol@accg.org.

We are excited to offer this expanded online training opportunity and look forward to supporting our members with accessible, effective, and practical safety training resources.

PLEASE NOTE:

You may notice duplicate courses on this list. This means there may be multiple courses on the same topic, each created by a different provider in the system. Courses labeled Microlearning are short, typically under 10 minutes, and generally focus on a single topic. Courses marked LN (Locked Navigation) require learners to follow the course in a set order and pace, without skipping ahead.

To request full course descriptions, course length, or information about available CEU credits, please email riskcontrol@accg.org.

Course List

In Alphabetical Order

- Active Shooter Response
- Active Shooter Response Overview
- Active Shooter: Elements of the "Run, Hide, Fight" Program (Microlearning)
- Active Shooter: Run/Hide/Fight
- Active Shooter: Secondary Issues Associated with Active Shooters (Microlearning)
- Animal Safety
- Animal Safety: Dogs (Microlearning)
- Animal Safety: Snakes (Microlearning)
- Asbestos Hazard Awareness (LN)
- Asbestos Hazard Awareness Overview (LN)
- Asbestos Hazard Awareness: Basics of Asbestos (Microlearning)
- Asbestos Hazard Awareness: Exposure Control (Microlearning)
- Back Injury Prevention
- Back Injury Prevention: Exercise and Stretching (Microlearning)
- Back Injury Prevention: Hazards (Microlearning)
- Back Injury Prevention: Injuries and Their Causes (Microlearning)
- Back Injury Prevention: Lifting and Carrying (Microlearning)
- Back Safety and Injury Prevention (LN)
- Basic First Aid
- Basic First Aid: Bleeding Injuries (Microlearning)
- Basic First Aid: Breathing Problems (Microlearning)
- Basic First Aid: Burns and Thermal Injuries (Microlearning)
- Basic First Aid: Chest Pains, Heart Problems, and Stroke (Microlearning)
- Basic First Aid: Musculoskeletal Injuries (Microlearning)
- Basic First Aid: Other Common Emergencies (Microlearning)
- Basic First Aid: Steps for Conducting Basic First Aid (Microlearning)
- Behavior Based Safety
- Behavior Based Safety: Characteristics of a BBS Program (Microlearning)
- Behavior Based Safety: Creating a Successful BBS Program (Microlearning)
- Bloodborne Pathogens
- Bloodborne Pathogens (BBP) (LN)
- Bloodborne Pathogens: Handling Sharps (Microlearning)
- Bloodborne Pathogens: Basics of Bloodborne Pathogens (Microlearning)
- Bloodborne Pathogens: Contaminated Items (Microlearning)
- Bloodborne Pathogens: Occupational Exposure (Microlearning)
- Bloodborne Pathogens: Protocols and Recordkeeping (Microlearning)
- Bloodborne Pathogens: Routes of Transmission (Microlearning)
- Build Your Personal Resiliency Strategy as a First Responder
- Building a Culture of First Responder Organizational Resiliency: A Peer Approach
- Bullying and Harassment in the Workplace
- Campus Security Authorities
- Carbon Monoxide Awareness
- Carbon Monoxide: Controls to Prevent Exposure (Microlearning)
- Carbon Monoxide: Exposure Symptoms and Treatment (Microlearning)
- Carbon Monoxide: Properties and Sources (Microlearning)
- Carcinogen Awareness

- Carcinogen Awareness Overview (LN)
- Carcinogen Awareness: Common Occupations Associated with Exposure
- Carcinogen Awareness: Hazards and Characteristics
- Carcinogen Awareness: Reducing Exposure
- Cardiopulmonary Resuscitation (CPR) (LN)
- Chainsaw Safety
- Chainsaw Safety: Before Using a Chainsaw (Microlearning)
- Chainsaw Safety: Making the Cut
- Chainsaw Safety: Safe Operations (Microlearning)
- Chainsaw Safety: Types of Chainsaws and Safety Precautions
- Chemical Safety
- Chemical Safety – Chemical Hazards (Microlearning)
- Chemical Safety – Emergency Procedures (Microlearning)
- Chemical Safety – Handling and Storage (Microlearning)
- Chemical Safety – Hazard Controls (Microlearning)
- Chemical Safety – Tools and Strategies (Microlearning)
- CMV Inspections: Levels of DOT Inspections (Microlearning)
- CMV Inspections: Preparing for DOT Inspections (Microlearning)
- CMV Inspections: Types of CMV Inspections (Microlearning)
- Cold Stress
- Cold Stress II
- Cold Stress (LN)
- Cold Stress in the Workplace
- Cold Stress in the Workplace: Cold Stress Prevention (Microlearning)
- Cold Stress in the Workplace: Contributing Factors (Microlearning)
- Cold Stress in the Workplace: Symptoms and Illnesses (Microlearning)
- Cold Stress Overview
- Cold Stress Overview (LN)
- Cold, Flu, and Transmissible Illness Prevention (LN)
- Commercial Motor Vehicle Inspections
- Compressed Gas Safety
- Compressed Gas Safety (LN)
- Compressed Gas Safety Overview (LN)
- Compressed Gas Safety: Compressed Gas Hazards (Microlearning)
- Compressed Gas Safety: Handling and Storage Procedures (Microlearning)
- Compressed Gas Safety: Labeling and Inspection Requirements (Microlearning)
- Confined Space Entry Supervisor
- Confined Space Entry Supervisor - Supervisor Responsibilities (Microlearning)
- Confined Space Entry Supervisor (LN)
- Confined Space: Assigned Duties and Responsibilities (Microlearning)
- Confined Space: Emergency Procedures (Microlearning)
- Confined Space: Hazard Controls (Microlearning)
- Confined Space: Hazards in Confined Spaces (Microlearning)
- Confined Space: Types of Confined Spaces (Microlearning)
- Confined Spaces Overview
- Conflict Resolution Strategies Series (**COMING SOON**)
- Conflict Management Process
- Conflict Resolution Strategies
- Conflict Resolution Strategies: Bargaining Styles (Microlearning)
- Conflict Resolution Strategies: Dispute Resolution (Microlearning)
- Conflict Resolution Strategies: Mediation Methods (Microlearning)
- Conflict Resolution Strategies: Negotiation Methods (Microlearning)
- Conflict Resolution Strategies: Thomas-Kilmann (Microlearning)

- Coronavirus (COVID-19) Awareness
- Coronavirus (COVID-19) Prevention in the Workplace
- COVID-19 Masks, Coverings, and Respirators (LN)
- COVID-19: Workplace Safety (LN)
- CPR Refresher (Microlearning)
- Crane Safety
- Crane Safety - Hand Signals (Microlearning)
- Crane Safety: Hand Signals and Employee Roles (Microlearning)
- Crane Safety: Required Crane Inspections (Microlearning)
- Crane Safety: Safe Practices (Microlearning)
- Crane Safety: Types of Crane Attachments (Microlearning)
- Crane Safety: Types of Cranes (Microlearning)
- Data Protection for Industry and Business
- Discrimination in the Workplace
- Discrimination-Free Workplace (LN)
- Distracted Driving Prevention
- Diversity, Equity, and Inclusion in the Workplace
- DOT Requirements for 12 and 15 Passenger Van Drivers
- DOT Requirements for Semi-Truck and Box Truck Drivers
- DOT: Driver Logs (LN)
- DOT: Driver Qualifications (LN)
- DOT: Driver Wellness (LN)
- DOT: Drug and Alcohol Testing for Supervisors - Reasonable Suspicion
- DOT: Drug and Alcohol Testing for Supervisors - Reasonable Suspicion (LN)
- DOT: Packaging Hazardous Materials
- DOT: Trip Inspections (LN)
- Driver Safety
- Driver Safety: Hazardous Driving Conditions (Microlearning)
- Driver Safety: Preventing Hazardous Driving (Microlearning)
- Driver Safety: Safe and Defensive Driving (Microlearning)
- Driving at Night
- Driving at Night (LN)
- Driving at Night Overview
- Driving at Night Overview (LN)
- Driving at Night: Hazards (Microlearning)
- Dropped and Fallen Objects
- Drug- and Alcohol-Free Workplace (LN)
- Drug- and Alcohol-Free Workplace Overview (LN)
- Drug Free Workplace
- Drug Free Workplace: Consequences of Substance Abuse (Microlearning)
- Drug Free Workplace: Substance Addiction (Microlearning)
- Drug Free Workplace: Workplace Drug Policies (Microlearning)
- Earthquake Preparedness (LN)
- Earthquake Safety
- Earthquake Safety - Characteristics and Preparation (Microlearning)
- Earthquake Safety – Safe Steps After a Quake (Microlearning)
- Earthquake Safety – Safe Steps During a Quake (Microlearning)
- Electrical Safety - Grounding Awareness
- Electrical Safety - Grounding Awareness: Electricity and Grounding Basics
- Electrical Safety - Grounding Awareness: Situations Where Grounding is Required
- Electrical Safety - High Voltage
- Electrical Safety - High Voltage: Basics and Roles (Microlearning)
- Electrical Safety - High Voltage: Hazards (Microlearning)
- Electrical Safety - High Voltage: Safe Work Practices (Microlearning)
- Electrical Safety: General Awareness Overview
- Electrical Safety: Hazards, Controls, and Best Practices

- Electrical Safety: Hazards, Controls, and Best Practices Overview
- Electronic Communication Etiquette for Business
- Electronic Communication Etiquette for Business: Recommended Practices for Other Electronic Communication Methods
- Electronic Communication Etiquette for Business: Recommended Practices for Using Email
- Electronic Communication Etiquette for Business: Recommended Practices for Writing an Email
- Electronic Communication Etiquette for Business: The Importance of Proper Communication
- Electronic Logging and Hours of Service for Drivers
- Electronic Logging and Hours of Service for Drivers: Hours of Service
- Electronic Logging and Hours of Service for Drivers: Logging Requirements
- Email Etiquette: 01. To Email or Not To Email?
- Email Etiquette: 02. Spelling and Grammar Check
- Email Etiquette: 03. Subject Line
- Email Etiquette: 04. Formatting Your Email
- Email Etiquette: 05. Sending Attachments
- Emergency Action Plans for Office Employees
- Emergency Action Plans: Common Workplace Emergencies (Microlearning)
- Emergency Action Plans: Components of an EAP (Microlearning)
- Emergency Action Plans: Employee Responsibilities (Microlearning)
- Emergency and Fire Preparedness (LN)
- Emergency and Fire Preparedness Overview (LN)
- Emergency Response
- Emergency Response: Bomb Threats (Microlearning)
- Emergency Response: Emergency Action Plans (Microlearning)
- Emergency Response: Emergency Procedures (Microlearning)
- Emergency Response: Medical Emergencies (Microlearning)
- Emergency Response: Reporting Emergencies (Microlearning)
- Employee Safety Orientation (LN)
- Employee Safety Orientation Overview (LN)
- Environmental Awareness
- Environmental Awareness: Air Pollution (Microlearning)
- Environmental Awareness: Land Pollution (Microlearning)
- Environmental Awareness: Water Pollution (Microlearning)
- Ergonomics & Working From Home
- Ethics in Government Contracting
- Ethics in Government Contracting: Ethical Concerns for Contractors
- Ethics in Government Contracting: Financial Ethical Concerns for Contractors
- Excavation and Trenching
- Excavation and Trenching – Competent Person
- Excavation and Trenching - Competent Person (LN)
- Excavation and Trenching Hazards (Microlearning)
- Excavation and Trenching Requirements (Microlearning)
- Excavation and Trenching: Hazard Controls (Microlearning)
- Excavation and Trenching: Roles and Responsibilities (Microlearning)
- Excavation Competent Person - Excavation Hazards (Microlearning)
- Excavation Competent Person - Preplanning Excavations (Microlearning)
- Excavation Competent Person - Protective Systems (Microlearning)

- Excavation Competent Person - Roles and Responsibilities (Microlearning)
- Excavation Competent Person - Soil Classification (Microlearning)
- Eye Wash and Safety Shower Awareness (Microlearning)
- Eyewashes and Safety Showers (LN)
- Fair Labor Standards Act - FLSA Basics (Microlearning)
- Fair Labor Standards Act - Maximum Hours (Microlearning)
- Fair Labor Standards Act - Minimum Wage (Microlearning)
- Fair Labor Standards Act (FLSA)
- Fall Protection
- Fall Protection: Elevated Surfaces (Microlearning)
- Fall Protection: Hazards and Controls on Working Surfaces (Microlearning)
- Fall Protection: Personal Protective Equipment (Microlearning)
- Fall Protection: Safe Work Practices (Microlearning)
- Fatigue and Stress Awareness (LN)
- Fatigue Management
- FERPA - Family Educational Rights and Privacy Act
- Fire Extinguishers: Monthly Inspections (LN)
- Fire Safety
- Fire Safety On Campus
- Fire Safety: Alarms (Microlearning)
- Fire Safety: Fire Hazards (Microlearning)
- Fire Safety: Fire Prevention (Microlearning)
- Fire Safety: Fire Response and Evacuation Procedures (Microlearning)
- Fireworks Safety
- Flammable and Combustible Liquids
- Flammable Liquid Safety (LN)
- Foreign Corrupt Practices Act (FCPA)
- Foreign Corrupt Practices Act (FCPA): Accounting Provisions
- Foreign Corrupt Practices Act (FCPA): Anti-Bribery Provisions
- Foreign Corrupt Practices Act (FCPA): General Components
- Foreign Corrupt Practices Act (FCPA): Safeguards to Prevent FCPA Violations
- Foreign Corrupt Practices Act: Compliance
- Foreign Corrupt Practices Act: Core Concepts
- Forklift - Fundamentals
- Forklift - Fundamentals (LN)
- Forklift - Inspection and Maintenance (LN)
- Forklift - Load Handling (LN)
- Forklift - Safe Driving (LN)
- Forklift - Stability and Capacity (LN)
- Forklift Operator Training
- Forklift Operator Training - Module 1 - Safe Operations (Microlearning)
- Forklift Operator Training - Module 2 - Safe Traveling and Loading (Microlearning)
- Forklift Operator Training - Module 3 - Safe Maintenance (Microlearning)
- Formaldehyde Safety (LN)
- Full Body Protective Equipment (Microlearning)
- General Safety Orientation
- Globally Harmonized System (GHS)
- Golf Cart Safety
- Grinder Safety
- Ground Disturbance Awareness
- Ground Disturbance Awareness: Locating Utilities (Microlearning)
- Ground Disturbance Awareness: Principles and Hazards (Microlearning)
- Ground Disturbance Awareness: Roles and Responsibilities (Microlearning)
- Ground Disturbance Awareness: Underground Utility Contact (Microlearning)
- Groundskeeping and Golf Course Maintenance Safety
- Gun Safety
- Halloween Safety
- Hand and Pinch Point Safety
- Hand and Pinch Point Safety: Hand and Arm Hazards (Microlearning)

- Hand and Pinch Point Safety: Methods of Protection (Microlearning)
- Hand and Pinch Point Safety: Pinch Point Hazards (Microlearning)
- Hand and Pinch Point Safety: Types of Gloves (Microlearning)
- Hand and Power Tool Safety
- Hand and Power Tool Safety (LN)
- Hand and Power Tool Safety Overview (LN)
- Hand and Power Tool Safety: Personal Protective Equipment (Microlearning)
- Hand and Power Tool: Hand Tool Safety (Microlearning)
- Hand and Power Tool: Liquid Fuel and Powder-Actuated Tools (Microlearning)
- Hand and Power Tool: Pneumatic and Hydraulic Tools (Microlearning)
- Hand and Power Tool: Portable Abrasive Wheel Tools (Microlearning)
- Hand and Power Tool: Power Tool Safety Recommendations and Guards (Microlearning)
- Hand Safety (LN)
- Hand Safety Overview (LN)
- Hands-Only CPR (Microlearning)
- Hazard Analysis and Critical Control Point (HACCP) Plans in Food Manufacturing
- Hazard Communication
- Hazardous Driving Conditions
- Hazardous Driving Conditions: Driving in Severe Weather (Microlearning)
- Hazardous Driving Conditions: Preparing Your Vehicle (Microlearning)
- Hazardous Driving Conditions: Severe Weather Conditions (Microlearning)
- Hazardous Materials Classification - Basic
- Hazardous Materials Classification - Explosives
- Hazardous Materials Classification (LN)
- Hazardous Waste Awareness (RCRA)
- Hazardous Waste Management: Different Wastes Under RCRA (Microlearning)
- Hazardous Waste Management: Hazardous Waste Characteristics (Microlearning)
- Hazardous Waste Management: Managing Hazardous Waste (Microlearning)
- Hazards of Speeding (LN)
- Hazards of Speeding (Microlearning)
- HAZCOM Plans and Requirements (Microlearning)
- HAZCOM: Access to Medical Records (Microlearning)
- HAZCOM: Chemical Hazards and Controls (Microlearning)
- HAZCOM: Chemical Labels and SDSs (Microlearning)
- HAZCOM: Safety Data Sheet Awareness (Microlearning)
- HAZCOM: Safety Data Sheet Sections (Microlearning)
- Hazmat 0: Hazardous Materials Transportation - Introduction
- Hazmat 01: HAZMAT Table
- Hazmat 02: Hazmat Shipping Papers
- Hazmat 03: Hazmat Marking and Labeling
- Hazmat 04: DOT: Packaging Hazardous Materials
- Hazmat 05: Hazmat Packaging
- Hazmat 06: Hazmat Carrier Requirements - Highway
- Hazmat 07: Hazmat Carrier Requirements - Water
- Hazmat 08: Hazmat Carrier Requirements - Rail
- Hazmat 09: Hazmat Carrier Requirements - Air
- Hazmat 10: Hazmat Transportation Security Awareness
- HAZWOPER General Site Worker 8-Hour Refresher
- HAZWOPER General Site Worker 8-Hour Refresher - Module 1 - Introduction to HAZWOPER

- HAZWOPER General Site Worker 8-Hour Refresher - Module 2 - Hazard Recognition
- HAZWOPER General Site Worker 8-Hour Refresher - Module 3 - Toxicology and Medical Surveillance
- HAZWOPER General Site Worker 8-Hour Refresher - Module 4 - Site Entry and Reconnaissance
- HAZWOPER General Site Worker 8-Hour Refresher - Module 5 - Personal Protective Equipment
- HAZWOPER General Site Worker 8-Hour Refresher - Module 6 - Respirators
- HAZWOPER General Site Worker 8-Hour Refresher - Module 7 - Decontamination
- HAZWOPER General Site Worker 8-Hour Refresher - Module 8 - Exposure Monitoring
- Hearing Conservation
- Hearing Conservation: Noise Monitoring and Testing (Microlearning)
- Hearing Conservation: Sound and Noise Basics (Microlearning)
- Hearing Conservation: Types of Hearing Protection (Microlearning)
- Heat Stress (LN)
- Heat Stress in the Workplace
- Heat Stress Overview (LN)
- Heat Stress Work: Preventing Heat Stress (Microlearning)
- Heat Stress Work: Symptoms and Treatments for Heat Related Illness (Microlearning)
- Heat Stress Work: Heat Stress Factors (Microlearning)
- Hexavalent Chromium
- Hexavalent Chromium: Common Sources
- Hexavalent Chromium: Properties and Hazards
- Hexavalent Chromium: Reduce or Eliminate Exposure
- HIPAA Compliance Training
- HIPAA Compliance Training for HR Officers
- HIPAA for Covered Entities (LN)
- Hot Work (LN)
- Hot Work Overview (LN)
- Hot Work/Arc Welding
- Hot Work/Arc Welding: Additional Hazards of Hot Work (Microlearning)
- Hot Work/Arc Welding: Employee Responsibilities for Hot Work (Microlearning)
- Hot Work/Arc Welding: Hot Work Hazard Controls (Microlearning)
- Hot Work/Arc Welding: Hot Work Hazards (Microlearning)
- Hot Work/Arc Welding: Types and Hazards of Hot Work (Microlearning)
- Household Chemical Safety
- Housekeeping Awareness (Microlearning)
- Human Resources Liability Training for Employees: Title VII
- Human Resources Liability Training for Supervisors: Title VII
- Human Trafficking Awareness and Prevention for Professional Drivers
- Human Trafficking Awareness: The Basics of Human Trafficking
- Human Trafficking Awareness: Identification and Prevention of Trafficking
- Hurricane Preparedness (LN)
- Hurricane Safety
- Hurricane Safety: Hurricane Risk Areas (Microlearning)
- Hurricane Safety: Preparing for a Hurricane (Microlearning)
- Hurricane Safety: Safety During and After a Hurricane (Microlearning)
- HVAC Safety Considerations
- Incident Investigation
- Incident Investigation: Aspects of Investigations (Microlearning)
- Incident Investigation: Investigation Steps (Microlearning)
- Incident Investigation: Roles and Terms (Microlearning)

- Indoor Air Quality
- Indoor Air Quality (LN)
- Industrial Hygiene: Hazard Controls (Microlearning)
- Industrial Hygiene: Worksite Hazards (Microlearning)
- Industrial Ergonomics
- Industrial Ergonomics: Back Injury Prevention (Microlearning)
- Industrial Ergonomics: Musculoskeletal Disorders (Microlearning)
- Industrial Ergonomics: Risk Factors (Microlearning)
- Industrial Hygiene
- Industrial Hygiene: History of Industrial Hygiene (Microlearning)
- Influenza Pandemic Planning for Businesses
- Influenza Prevention (Microlearning)
- Influenza Symptoms and Prevention Strategies for Employees and Business Owners (Microlearning)
- Injury and Illness Prevention Programs (IIPP)
- Injury and Illness Prevention Programs: IIPP Basics (Microlearning)
- Injury and Illness Prevention Programs: Understanding the Other IIPP Sections (Microlearning)
- Intro to Loading Dock Safety
- Intro to Loading Dock Safety (LN)
- Intro to Mold and Mildew Hazards (LN)
- Intro to Pallet Jack Safety
- Intro to Pallet Jack Safety (LN)
- Introduction to Caught In-Between Hazards
- Introduction to OSHA
- Introduction to OSHA (LN)
- Job Hazard Analysis
- Job Hazard Analysis: Correcting and Preventing Hazards (Microlearning)
- Job Hazard Analysis: JHA Steps (Microlearning)
- Ladder Safety
- Ladder Safety (LN)
- Ladder Safety Overview (LN)
- Ladder Safety: Inspection and Set-up (Microlearning)
- Ladder Safety: Safe Use (Microlearning)
- Ladder Safety: Types and General Safe Practices (Microlearning)
- Laser Safety
- Laser Safety (LN)
- Latex Allergy
- Lawful Hiring Practices
- Lawful Terminations and Employee Separation
- Lawn Mower and Lawn Care Safety
- Lead Awareness
- Lead Awareness: Exposure Monitoring and Medical Response (Microlearning)
- Lead Awareness: Health Effects and Routes of Exposure (Microlearning)
- Lead Awareness: Mitigating Lead Hazards (Microlearning)
- Leadership Fundamentals: A Spotlight on Self-Development
- Leadership Fundamentals: Becoming a Followable Leader
- Leadership Fundamentals: Characteristics of a Leader
- Leadership Fundamentals: Empowering Others
- Leadership Fundamentals: Listening as a Leader
- Leadership Fundamentals: The Leadership Toolkit
- Leadership Skills for Managers
- Leading a Self-Sustaining Culture of Resiliency for First Responders
- Legally Hiring
- Legionnaires' Disease
- Listeria Control in Food Manufacturing
- Lithium Battery Safety
- Lithium Battery Safety: Lithium Battery Hazards (Microlearning)
- Lithium Battery Safety: Lithium Battery Safety Procedures (Microlearning)

- Lockout Tagout (LN)
- Lockout Tagout for Authorized Workers (LN)
- Lockout Tagout Simulation (LN)
- Lockout/Tagout
- Lockout/Tagout for Affected Personnel
- Lockout/Tagout Simulation
- Loss Prevention in Retail Sales
- Lost Child/Code Adam
- Machine Guarding
- Machine Guarding: Common Machine Guards (Microlearning)
- Machine Guarding: Guarding Considerations (Microlearning)
- Machine Guarding: Machine Hazards (Microlearning)
- Machine Guarding: Safeguarding Devices (Microlearning)
- Managing a Hybrid Team: Managing a Hybrid Workforce
- Managing Enterprise Accounts: Customer Lifetime Value
- Managing Enterprise Accounts: Finding Unmet Needs
- Managing Enterprise Accounts: Handling Objections
- Managing Enterprise Accounts: Introduction
- Managing Enterprise Accounts: No Push Close
- Managing Enterprise Accounts: Pre-Call Planning
- Managing Enterprise Accounts: Selling Benefits
- Managing Enterprise Accounts: The Five-Minute Debrief
- Managing Enterprise Accounts: Value Added Selling
- Marine Trash and Debris
- Marine Trash and Debris – Importance of Prevention (Microlearning)
- Marine Trash and Debris – Prevention Requirements (Microlearning)
- Marine Trash and Debris – Recommended Practices (Microlearning)
- Materials Handling
- Materials Handling: Housekeeping Practices (Microlearning)
- Materials Handling: Safe Lifting (Microlearning)
- Materials Handling: Safe Unloading (Microlearning)
- Materials Handling: Storage Practices (Microlearning)
- Medical - Lifting and Transferring Patients (LN)
- Mental Health Awareness in the Workplace
- Mental Health: Managing Mental Health Issues
- Microaggressions
- Mobile Elevated Work Platform Safety
- Mobile Elevated Work Platforms: MEWP Basics (Microlearning)
- Mobile Elevated Work Platforms: MEWP Hazards (Microlearning)
- Mobile Elevated Work Platforms: MEWP Operations (Microlearning)
- Mobile Elevating Work Platforms: Aerial and Scissor Lift Safety (LN)
- Mobile Elevating Work Platforms: Aerial and Scissor Lift Safety Overview (LN)
- Mobile Ladder Safety
- Mobile Ladder Safety (LN)
- Mold and Mildew Awareness
- Moving Safety
- N95 Respirators - Preventing Airborne Disease Transmission
- Nail Gun Safety
- Nail Gun Safety (LN)
- Negotiating: 01. Introduction to Negotiating
- Negotiating: 02. Framing
- Negotiating: 03. Styles
- Negotiating: 04. Identifying Leverage

- Negotiating: 05. Analyzing Upcoming Negotiations
- Negotiating: 06. Planning for Negotiations
- Negotiating: 07. The Negotiation Process
- Negotiating: 08. Reaching Agreement
- Negotiating: 09. Evaluating Your Performance
- Negotiating: 10. Negotiation's Do's and Don'ts
- Negotiation Skills
- Negotiation Skills – Best Practices (Microlearning)
- Negotiation Skills – Negotiation Basics (Microlearning)
- NORM Awareness: Characteristics and Effects (Microlearning)
- NORM Awareness: Controls to Minimize Exposure (Microlearning)
- NORM Awareness: Sources and Handling Procedures (Microlearning)
- Occupational Safety and Health Programs
- Occupational Safety and Health Programs in the Oil and Gas Industry
- Office Ergo Self-Assessment (Advanced)
- Office Ergo Self-Assessment (Intermediate)
- Office Ergonomics
- Office Ergonomics: Body Positioning (Microlearning)
- Office Ergonomics: Ergonomic Controls (Microlearning)
- Office Ergonomics: Risk Factors and Injuries (Microlearning)
- Office Ergonomics: Safe Lifting Procedures (Microlearning)
- Office Safety
- Office Safety: Environmental and Fire Hazards (Microlearning)
- Office Safety: Ergonomic Hazards (Microlearning)
- Office Safety: Fall Prevention and Safe Lifting (Microlearning)
- Organic Peroxide Awareness
- OSHA - Arc Flash and Electrical Safety Best Practices (NFPA 70E 2024 Edition) Overview
- OSHA - Confined Spaces
- OSHA - Slips, Trips, and Falls Overview
- OSHA 10 General Industry (no DOL card)
- OSHA 30 General Industry (no DOL card)
- OSHA Reporting & Recordkeeping
- OSHA Work-Related Injury and Illness Recordkeeping (LN)
- Pallet Jack Safety
- Park and Landscape Maintenance Safety
- Parking Lot Safety
- Passenger Van Driver Safety (LN)
- Passenger Van Driver: Before Driving (Microlearning)
- Passenger Van Driver: Hazards of Passenger Vans (Microlearning)
- Passenger Van Driver: Safe Driving (Microlearning)
- Patient Transfer and Handling
- Payment Card Industry Data Security Standard Awareness
- Pedestrian Safety Around Forklifts
- Performing Safety Audits
- Performing Safety Audits: Audit Protocol and Procedures (Microlearning)
- Performing Safety Audits: Internal Safety Audit Types (Microlearning)
- Performing Safety Audits: Purpose of Safety Audits (Microlearning)
- Personal Protective Equipment
- Personal Protective Equipment Fundamentals
- Personal Protective Equipment: Eyes, Ears and Lungs (Microlearning)
- Personal Protective Equipment: Leg and Foot Protection (Microlearning)
- Personal Protective Equipment: Limbs and Head (Microlearning)

- Personal Protective Equipment: Standards, Use and Maintenance (Microlearning)
- Personal Protective Equipment: Types of Gloves (Microlearning)
- Pipetting Safety
- Pollution Prevention Initiatives
- Portable Fire Extinguisher Basics (Microlearning)
- Portable Fire Extinguisher Techniques on Oil and Gas Sites
- Portable Fire Extinguishers
- Portable Fire Extinguishers: Uses of Extinguishers (Microlearning)
- Portable Fire Extinguishers: When and How to Use (Microlearning)
- PPE - Eye and Face Protection
- PPE - Eye and Face Protection (LN)
- PPE - Hand Protection
- PPE - Hand Protection (LN)
- PPE - Hearing Protection
- PPE - Hearing Protection (LN)
- PPE - Respiratory Protection (LN)
- Pressure Washer Safety
- Process Safety Management
- Process Safety Management (LN)
- Professional Boundaries: Office Romances
- Radiation Safety Awareness
- Radiation Safety: Exposure Controls (Microlearning)
- Radiation Safety: Exposure Hazards and Workplace Controls (Microlearning)
- Radiation Safety: Radiation Types and Effects (Microlearning)
- Reasonable Suspicion: Substance Abuse Training for Supervisors
- Reasonable Suspicion: Substance Abuse Training for Supervisors in the Oil and Gas Industry
- Reasonable Suspicion: Alcoholism
- Reasonable Suspicion: Drug-free Workplace Program (Microlearning)
- Reasonable Suspicion: Effects of Alcohol
- Reasonable Suspicion: Effects of NIDA 5
- Reasonable Suspicion: Intervention Measures and Strategies
- Reasonable Suspicion: NIDA 5 Drugs
- Reasonable Suspicion: Requirements for Supervisor Training
- Respiratory Protection
- Respiratory Protection II
- Respiratory Protection (LN)
- Respiratory Protection Overview
- Respiratory Protection Overview (LN)
- Respiratory Protection: Air-Purifying Respirators (Microlearning)
- Respiratory Protection: Atmosphere-Supplying Respirators (Microlearning)
- Respiratory Protection: Basic Requirements (Microlearning)
- Respiratory Protection: Respiratory Hazards (Microlearning)
- Respiratory Protection: Wearing and Maintaining Respirators (Microlearning)
- Rigging Safety
- Rigging Safety (LN)
- Rigging Safety Overview (LN)
- Rigging Safety: Employee Roles (Microlearning)
- Rigging Safety: Rigging and Lifting Hazards (Microlearning)
- Rigging Safety: Rigging and Lifting Procedures (Microlearning)
- Rigging Safety: Rigging Inspections (Microlearning)
- Rigging Safety: Tools and Equipment (Microlearning)
- Road Rage
- Road Rage: Aggressive Driving Behaviors (Microlearning)
- Road Rage: Preventing Aggressive Driving (Microlearning)
- S:ERVE (Ambulance) Emergency Vehicle Operations Course
- S:ERVE (Fire) Emergency Vehicle Operations Course
- S:ERVE (Police) - Emergency Vehicle Operations Course

- Safe Pool Operation
- Safe Trip Planning for Over-the-Road Drivers
- Safe Trip Planning: DOT Trip Requirements for Commercial Motor Vehicles (Microlearning)
- Safe Trip Planning: Over-the-Road Travel Considerations (Microlearning)
- Safe Trip Planning: Safe Practices for Over-the-Road Drivers (Microlearning)
- Safe Work Strategies and Procedures on Campus
- Safety and Health Awareness for Oil Spill Cleanup Workers
- Safety Data Sheets
- Safety Data Sheets (LN)
- Safety National Attention and Distraction - Premium Driver Training Course
- Safety National Attention and Distraction - Premium Driver Training Course (Spanish)
- Safety National Premium Defensive Driver Training (Part 1 of 6) – Search and Scan
- Safety National Premium Defensive Driver Training (Part 2 of 6) – Hazard Recognition
- Safety National Premium Defensive Driver Training (Part 3 of 6) – Sight, Speed, and Space Management
- Safety National Premium Defensive Driver Training (Part 4 of 6) – Judging Safe Distance
- Safety National Premium Defensive Driver Training (Part 5 of 6) – Backing
- Safety National Premium Defensive Driver Training (Part 6 of 6) – Final Exam
- Scaffold Safety
- Scaffold Safety (LN)
- Scaffold Safety Overview (LN)
- Scaffold Safety: Protective Devices and Safe Practices (Microlearning)
- Scaffold Safety: Scaffold Regulatory Requirements (Microlearning)
- Scaffold Safety: Types and Hazards of Scaffolds (Microlearning)
- Scissor Lift Basics (Microlearning)
- Scissor Lift Safety
- Scissor Lift Safety: Hazards and Safe Operations (Microlearning)
- Securing Loads and Cargo
- Securing Loads and Cargo: Cargo Inspections (Microlearning)
- Securing Loads and Cargo: Recommended Practices (Microlearning)
- Securing Loads and Cargo: Securement Systems (Microlearning)
- Securing Loads and Cargo: The North American Cargo Securement Standard (Microlearning)
- Security Threat Awareness
- Security Threat Awareness: Digital Security Considerations
- Security Threat Awareness: Personnel Security Considerations
- Security Threat Awareness: Physical Security Considerations
- Semi-Truck and Box Truck: DOT Requirements for Drivers (Microlearning)
- Semi-Truck and Box Truck: Driver Wellness (Microlearning)
- Semi-Truck and Box Truck: Hours of Service and Logging (Microlearning)
- Semi-Truck and Box Truck: Inspections and Reporting (Microlearning)
- Severe Weather and Outdoor Work
- Severe Weather and Outdoor Work (LN)
- Severe Weather Awareness (Microlearning)
- Severe Weather: Flash Floods (Microlearning)
- Severe Weather: Thunderstorms (Microlearning)
- Severe Weather: Tornadoes (Microlearning)
- Sewage/Waste Water/Water Line Maintenance
- Sexual Harassment and Discrimination for Employees

- Sexual Harassment and Discrimination for Managers
- Sexual Harassment and Discrimination Prevention (LN)
- Sexual Harassment Prevention for Customer-Facing Positions
- Sharps Safety (LN)
- Signs and Tags: ANSI, APWA and Sign and Tag Maintenance (Microlearning)
- Situational Awareness-Business Travel
- Slips, Trips, and Falls (LN)
- Slips/Trips/Falls
- Slips/Trips/Falls: Elevated Surfaces (Microlearning)
- Slips/Trips/Falls: Holes and Openings (Microlearning)
- Slips/Trips/Falls: Walking and Working Surfaces (Microlearning)
- Small Spill Response
- Small Spill Response - Best Practices (Microlearning)
- Small Spill Response - Spill Considerations (Microlearning)
- Small Spill Response - Spill Response Info (Microlearning)
- SPCC: Basic Components of an SPCC Plan (Microlearning)
- SPCC: Spill Control Measures and Countermeasures (Microlearning)
- SPCC: Spill Prevention Measures (Microlearning)
- Spill Prevention/Control/Countermeasures
- Stop Work Authority
- Stormwater Pollution Prevention for Industrial Operations
- Stormwater Pollution: Advanced Best Management Practices (Microlearning)
- Stormwater Pollution: Baseline Best Management Practices (Microlearning)
- Stormwater Pollution: Water Pollution Regulations (Microlearning)
- Street Maintenance Worker Safety
- Struck By and Caught Between Injuries for Construction
- Struck By/Caught Between for Well Completion
- Struck-By & Caught-Between Hazards in Manufacturing (Microlearning)
- Successful Guest Service Techniques
- Surveying the HAZMAT Incident
- Suspicious Packages
- Temporary Worker Safety
- Theater Safety
